

SECURITY

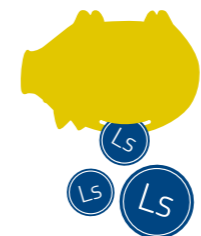

HOW TO ACT TO ENSURE THAT THE TRANSITION TO THE EURO IS SECURE

Do not exchange money in questionable places or through private individuals.

Be very cautious when carrying cash and moving about in public places.

Do not keep a lot of cash at home.

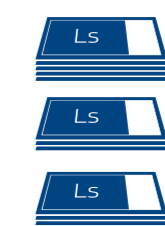

Do not allow strangers to enter your home and do not engage in conversation or in any dealings concerning money with them.

Do not agree to transactions in which you are offered a more advantageous exchange rate.

Exchange money in the daytime, preferably in the company of a relative or friend.

Do not exchange all your cash at once.

IF SOMEBODY TRIES TO CHEAT YOU – INFORM THE POLICE IMMEDIATELY!
